

CAREC Private Sector Development Initiative

Ulaanbaatar, Mongolia
28 May 2009

Mr. Wang Hong
Senior CAREC Coordinator
ADB

CAREC PPP Training Activities in 2009

- Introduction
- Awareness Workshop
- Case Study Program
- Looking Forward

CAREC Business Development Forum

- Introduction
- Expected Outcomes
- Arrangements
- Guidance and Support from the SOM

PPP Training Activities in 2009

- Private Sector Development Initiative endorsed at the 7th Ministerial Conference
- Training and awareness raising in three stages:
 - General awareness
 - Case studies and experience sharing
 - Practical solutions for PPP practitioners

PPP Training Activities in 2009

- Awareness Workshop
- Objective:
 - Raise awareness and improve understanding of PPP concept
- Audience:
 - Mid-ranking government officials in ministries of transport, energy, water supply, economic development and finance
 - 50 - 80 participants per workshop
- Three workshops planned:
 - Astana, Bishkek, Ulaanbaatar from 15 – 22 June

PPP Training Activities in 2009

- Case Study Program
- Objective:
 - Share firsthand, up-to-date, relevant PPP experience
- Audience:
 - Senior government officials in ministries of transport, energy, water supply, economic development and finance
- Approach:
 - Develop case studies in transport, energy and water sectors
 - Special attention to issues and lessons learned during full project cycle, including operation
 - Regional workshop in November

PPP Training Activities in 2009

- 2010 and 2011
- PSD/PPP units in key government agencies
- Standard bidding processes and contractual framework
- PPP pilot program
- Follow through on 2009 workshops

BDF 2009

- CAREC Business Development Forum (BDF) endorsed by 7th Ministerial Conference
- Objectives:
 - Support private sector participation in regional initiatives
 - Encourage foreign direct investment in priority infrastructure
 - Promote collaboration among private and public organizations
- BDF should become:
 - A key event for region's business community
 - A venue for network building between private and public sectors
 - A platform for information exchange to support private sector development
 - A regular communication channel
 - A point of entry for business to CAREC regional investment projects

BDF 2009

Theme:

Rebuilding the Silk Road through Public Private Partnership

- Regional cooperation and public private partnerships are powerful tools as countries deal with the global economic crisis
- The BDF will examine practical approaches to supporting private sector participation in regional cooperation at the sector level
