

Development Partners Forum: Potential Approaches

David Kruger
ADB

- “We look forward to improved coordination with development partners who play an important role in supporting regional cooperation among Central Asian countries and in promoting Central Asia’s development and integration into the world economy.”
- “Broaden participation in the CAREC Program through support for a senior-level Development Partners’ Forum”

-- Joint Ministerial Statement, 6th Ministerial Conference

- Where does CAREC need support?
- How can others contribute?

Objectives

Improved coordination can:

- Bring new ideas; international best practice
- Clarify gaps; avoid duplication
- Increase understanding of CAREC objectives; entry points for partners

4

Proposed Features

- Sector focus; operational issues
- Action oriented
- Country representation by National Focal Point
- Broad participation by active and potential partners

5
